Product Description

Toro 60V MAX* 120 mph Brushless Leaf Blower with 2.5Ah Battery

The Toro 60V Max Brushless Leaf Blower is an aerodynamic beast, thanks to PowerJet® technology. Larger air vents maximize air intake, while the perfectly optimized jet fan design provides peak efficiency, resulting in supercharged airflow and up to 30% more power*. Go from zero to 120 MPH in 1.3 seconds flat with over 605 CFM** of awesome air volume that makes small work of huge leaf piles. Achieve ultimate comfort and control with variable speed trigger, cruise control, and turbo boost button. Brushless motor with RunSmart® onboard intel optimizes RPMs and torque in real time, for peak cutting performance in the toughest conditions. As part of the Toro 60V Flex-Force Power System®, it's got power like no other that commands a full line of tools. Go from tool to tool to tool, done and done and done.

*Battery manufacturer rating = 60V maximum & 54V typical usage. Actual voltage varies with load.

**Up to 605 CFM Max and 120 MPH Max on turbo boost. Performance claims based on controlled laboratory testing.
