Product Description

Toro 60V MAX 10" Brushless Pole Saw with 2.0Ah battery

The Toro 60V* Max 3-phase Brushless Pole Saw is your friend in high places. Its 10 in. bar and chain gives you all you need to get the job done, including up to 80 cuts of 4 in. x 4 in. branches on a single charge[^]. Brushless motor with RunSmart® onboard intel optimizes RPMs and workload in real time, for peak cutting performance in the toughest conditions. A full 8-foot pole always rises to the occasion. Easy push button start means no yanking or pulling cords, no hassles. As part of the Toro 60V Flex-Force Power System®, it's got power like no other that commands a full line of tools. Go from tool to tool to tool, done and done and done.

*Battery manufacturer rating = 60V maximum & 54V typical usage. Actual voltage varies with load.

[^]Based on controlled laboratory testing. Actual runtime/number of cuts will vary based on conditions.
