Product Description

Toro 18" Power Curve® 15 Amp Electric Snow Blower

The Toro 1800 Power Curve® 18 in. Electric Snowblower is designed to move snow quickly and clean down to patios, decks, and driveways while helping to eliminate clogging. The snow blower's locking deflector provides a choice between high, low, and in-between snow throwing while its quick turn chute lever helps you direct the snow in all directions. This model features an ergonomically designed handle for a comfortable grip.

- Fast and Efficient - Easily clear an 18-inch-wide path up to 10 inches deep with this blower, making it ideal for sidewalks, steps, decks, and small driveways.
 - Power Through. You'll make short work of snow with a series-wound 15 amp motor that delivers powerful snow-blowing.
 - Aim Snow and Go - Aim exactly where you want to throw snow, from behind the machine, with the quick-turn chute lever.
 - Put Snow Where You Want It - With a touch of the hand, the locking deflector lets you aim exactly where you want to throw snow from the chute.
 - Download the MyToro app from your mobile device's app store for easy access to product resources, including manuals, how-to's, and more
-
