Product Description

Toro 28" Power Max HD 828 OAE Two-Stage Gas Snow Blower

Whatever winter throws at you, throw it right back, up to 45 feet, with our Power Max® 826 OAE 28 in. all-star snow hurler. This 252cc Toro® Premium 4-cycle OHV, electric start engine will clear your way 28 inches wide and 21 inches deep. Stick it to winter with our innovative Quick Stick® control, allowing you rapid and simple one-handed manipulation of the steel chute direction and chute deflector.

Steer yourself right (and left) with self propelled triggerless steering for fluid, tight turning—no triggers or levers required. Our exclusive Anti-Clogging System meters snow intake to reduce clogs and optimize clearing performance with no shear pins in sight. Instead, when our heavy-duty auger rolls into something hard, the engine purposely stalls to avoid damage. The sensational snow stats continue with Toro's commercial-grade gearbox, heavy-duty handle, steel chute, 16 in. tires, LED light, plus a 3-year limited warranty. Go undefeated against winter.

- Built to Last - You'll enjoy years of heavy-duty use with all-steel construction.
- Self Propelled. - Quickly and easily cut through snow 28 in. wide and 21 in. deep with total speed control, 6 speeds forward and 2 speeds reverse.
- Triggerless Steering - No triggers to pull or levers to break! A simpler way to effortlessly steer.
- Features Double the Strength - Toro doesn't use shear pins. Instead we designed a system 2x stronger that's designed to work, not break.
- Night Vision - Your visibility will never be clearer with the LED headlight.
- Power Up - Optimal performance and years of dependable use with the 252cc Toro premium 4-cycle OHV engine.
- Single Hand Chute Control - Quickly change the chute AND deflector direction with a single, smooth motion thanks to the Quick Stick® chute control.

- Stay the Course - Minimize clogging and maximize speed with the Anti-Clogging System.
 - Download the MyToro app from your mobile device's app store for easy access to product resources, including manuals, how-to's, and more
