Product Description

Toro 24" SnowMaster® 60V Snow Blower with (1) 10Ah Battery and 2 amp Charger

Tear through the roughest snow and ice in record time with Toro's 60V SnowMaster Snow Blower. Make snow blowing effortless with the self-propel Personal Pace® system, which matches your walking speed and provides better traction in all snow conditions. Quickly change the chute and deflector direction with a single, smooth motion thanks to the Quick Stick® chute control. As a part of Toro's Flex-Force Power System, the included battery works with 75+ other Flex-Force tools. It's ultra-maneuverable, easy enough for anyone to handle and still powers through tough, end-of-driveway snow.

- Quickly change the chute AND deflector direction in one motion with Quick Stick® chute control.
 - Personal Pace® technology doesn't push or pull you. It's self-propel that moves at your pace.
 - Tear through rough snow and ice in record time with a tall intake and a powerful, steel auger.
 - Use any 60V Max* Flex-Force battery to power any of the 75+ tools in the all-season lineup.
 - Get easy and reliable starting with low-maintenance battery power.
 - Metal-enforced poly skid shoes prevent scuffs and skid marks.
 - Clear up to a 20-parked-car driveway on a single charge with the included battery.
 - Enjoy more power, longer runtime and longer life from the brushless DC motor with RunSmart™.
 - Enjoy peace of mind with a 2-year limited tool and 3-year limited battery warranty.
 - Download the MyToro app from your mobile device's app store for easy access to product resources, including manuals, how-to's, and more
 - Ideal for concrete and asphalt surfaces.
-
