Product Description

Oregon Power Equipment 20820 Oregon Pressure Washer

The Oregon 3000 PSI Power-Grade Pressure Washer is built to deliver the power and durability required for more demanding household tasks including paint preparation, oil stain removal, and cleaning of driveways, siding, and second stories.

- Engine never requires an oil change
 - Maintenance-free axial cam pump is designed for simple, easy starts
 - Fold-down handle allows the unit to be stowed quickly and neatly
 - Detergent Injection System siphons cleaning solution into water stream
-
