Product Description

Brave Walk-Behind Blower BRPB160H

Stop lugging around a backpack blower! The Brave walk-behind blower allows you to blow leaves, nuts, and other debris into a convenient pile for easy cleanup in half the time of a typical leaf blower. This unit is easy and comfortable to use making it ideal for residential and commercial properties. See at Ramer Small Engine located at 16220 W US HWY 63 Hayward Wisconsin. We service what we sell! Walk-behind blowers have a \$25 setup fee, which includes professional setup and ensures that they are ready to use! Delivery available. Price shown is cash or check price, credit card payments are also available, ask for details.
