Product Description

Ferris 300R 42" Zero Turn Mower

The new 300R zero turn mower delivers the professional performance that Ferris is known for. Built to last with a welded steel frame, Hydro-Gear transaxles, and a fabricated steel deck, the 300R is a cut above the mowers you'll find at big-box stores. With ground speeds up to 8 mph, a 3-gallon fuel tank, and comfortable 18" seats, you can mow your lawn quickly and efficiently without sacrificing comfort.
