Product Description

GrandStand® 60 in. (152 cm) 28 hp 883cc

Rough bumps and challenging terrain are all in a day's work. Feeling them shouldn't have to be. The Toro GrandStand combines the speed and comfort of a zero-turn rider with the on-and-off ease of a wide area walk-behind — creating a fast, maneuverable and more productive alternative. And now the GrandStand is even better with all-new next generation upgrades that add up to higher productivity, lower maintenance and easier service. This mower has a 28 hp Briggs and Stratton engine.

- Foldable operator platform instantly converts the machine to a walk-behind.
 - Conserves space to get more machines on your trailer, or allows for a smaller trailer and lighter load.
 - Great visibility for easy navigation around obstacles, protecting the operator, mower, and property.
 - Quick access to the engine, hydros and controls with the easy removal of the fuel tank.
 - No hydraulic hoses, reduced parts, no routine greasing and simplified design to save you time.
 - Self-adjusting suspension and a larger platform area for a more secure stance on sloped terrain.
 - The TURBO FORCE® cutting deck is built to withstand the long, tough days on the job.
 - 10.5 gallon fuel tank for fewer fill-ups. Transparent tank make it easy to gauge the fuel level.
 - A wide stance and optimal balance enhance hillside stability and control.
 - Horizon360® Business Management Software. Work More Efficiently. Run More Profitably.
