Product Description

Ariens Platinum 28 SHO Snow Blower - 921073

Built for high-volume workloads, the Platinum Series is loaded with features like heated handgrips, a Super High Output impeller, Auto-Turn Steering Technology, and premium Ariens® engine options. The 14" auger and 21" housing height makes quick work of the deepest drifts. Say goodbye to the snow, but you'll have to yell since it'll be thrown upwards of 55 feet away.

- Powerful 369cc Ariens AX 4 cycle engine with electric start provides the power to tackle any condition
 - 28 inch clearing width and 21 inch intake height
 - Three adjustable positions - track mode for general operation, wheel mode for easy maneuverability and dig-in mode that delivers extra traction in deep snow and slippery conditions
 - Hydrostatic drive - infinite speed control delivers torque quickly and efficiently to power through piles of snow
 - Auto turn feature combines the power of a track machine with the zero turn radius of a wheeled Sno-Thro
 - All steel construction including chute and dash
 - Remote chute control with 200 degree turn radius
-
