Product Description

Toro GrandStand® MultiForce Evo 52\" Stand-On Mower - 72531

The Toro® GrandStand® MULTI FORCE EVO is built for landscape pros who need serious power and year-round performance. Now equipped with a 34.5 hp* Kawasaki EVO engine, it powers through wet grass and demanding conditions with ease. The legendary TURBO FORCE® deck delivers a high-quality cut, while wider front casters help reduce turf stress for a cleaner finish. A service stand attachment comes standard, making maintenance fast and hassle-free, and the foldable operator platform adds flexibility on the job. Plus, with compatibility for 10+ all-season attachments, you can switch attachments, boost profits, and stay productive year-round.

- Take on the toughest cutting conditions with an upgraded 34.5 hp* Kawasaki EVO 822cc engine.
 - Transform your GrandStand MULTI FORCE into an all-season powerhouse with 10+ attachment options.
 - Get fast access for maintenance with the included service stand attachment.
 - Adjust the baffle to optimize airflow based on your mowing conditions for peak performance.
 - Reduce turf stress with wider casters that prevent compaction and support a more even cut.
 - Redefine cut quality with the TURBO FORCE® deck—built for durability and a flawless finish.
 - Convert quickly from ride to walk-behind while saving space with the foldable platform.
-
