Product Description

Pioneer 3300 PSI Pressure Washer - G3300PW

The Pioneer 3300 PSI, 2.5 GPM Pressure Washer delivers powerful cleaning performance for tough outdoor jobs. With 3300 PSI output and Briggs & Stratton® power, this machine effectively removes dirt, grime, and stains from driveways, decks, and patios, siding, and more. Pioneer pressure washers are a perfect tool to rejuvenate and restore worn-out or dirty items to help make them look new again.
