Product Description

STIHL AK 30 Lithium-Ion Battery

The AK 30 is the most powerful battery in the homeowner's AK System. With increased power and runtime over the previous model, the AK 30 operates at full power until battery depletion, with minimal loss of capacity. Ideal for select AK System tools, the AK 30 battery delivers optimal runtime for the MSA 70 C-B, BGA 60, RMA 460, and RMA 460 V. Compact and lightweight, this battery is an option for homeowners.

- Lightweight lithium-ion battery
 - 180 Wh of battery power, weight 2.7 lbs
 - Compatible with all battery tools in the STIHL AK-System
 - 4 practical LEDs for indicating charging status and power content
-
