Product Description

Toro TimeCutter 42\"/>

The Toro TimeCutter Twin Bagger with its 6.43 bushel (8 cu. ft.) capacity makes quick work of taking care of grass clippings or fallen leaves. When paired with one of Toro's top discharge decks, its performance can't be beat. It assembles easily and once initially installed, can be removed and put back on without tools. Includes bagger, mount kit and front weights.
