Product Description

Toro 24-inch (61 cm) SnowMaster® 724 QXE Snow Blower (36002)

Quickly change the chute AND deflector direction with a single, smooth motion thanks to the Quick Stick® chute control.

Features

- Chute Control: Quickly change the chute AND deflector direction with a single, smooth motion thanks to the Quick Stick® chute control.
- Lightning Fast: Tear through the roughest snow and ice in record time with Toro's powerful engineered auger. A tall auger housing and beveled chute design throws snow farther.
- Keep up the Pace: You control how fast or slow you go with the Personal Pace® Self-Propel System. The rear-wheel drive system also equips you with the best traction in any snow condition.
- Turn on a Dime: Smooth, tight turns are a snap with automatic steering.
- Glide Over Surfaces: Glide over surfaces; make maneuvering even easier by breezing over driveway obstacles and garage floors with metal enforced poly skid shoes; no scuffs or skid marks left behind
- Warranty: 3-Year Limited Warranty and Deflector, Lower Chute, Chute Warranty Guaranteed for Life (original owner only) See retailer for warranty details.
- Compatible with the MyToro App
