Product Description

STIHL MSA 220 C-B Battery Powered Chainsaw

The lightweight and powerful MSA 220 C-B features up to 40 minutes of run time when paired with the AP 300 S Battery.

Accomplish everything from felling to limbing with the MSA 220 C-B, featuring 250 watts more power than the previous model. Plus, experience increased maneuverability with the Light 04 guide bar and smooth-cutting performance with the 3/8" STIHL PICCO™ PM3 saw chain. Lightweight with zero exhaust emissions, this AP Professional System chainsaw offers up to 40 minutes of run time when paired with the AP 300 S battery. The brushless motor allows for fast acceleration and low maintenance, so you can enjoy powerful performance and maximum efficiency.

Run time may vary based on battery type, charge level and capacity, model, operating style, and conditions. Batteries and chargers can be purchased separately or as a combined set with tool.

This tool is IPX4-rated weather-resistant construction and has been designed and tested for splash water protection.
